How to Ask a Question

The screenshot displays a video player interface. The video content features a blue and white graphic with the text "COGNILYTICA AI EDUCATION" and "FUNDAMENTALS OF AI WORKSHOP". A small icon of a brain with a gear is visible. Below the video is a "Join to chat" section with a "Name" input field, a checkbox for "I accept the Terms of Service and Privacy Policy.", and a "Join" button. Below the chat section is a "Session Description" area.

Session Description

This course is for executives and decision makers who are looking to get a foundational level overview of AI, ML, and cognitive technologies. This course will provide you with an introduction to AI concepts, key terms, conceptualizing probabilistic reasoning, and additional foundational level concepts needed to successfully craft and plan an AI strategy.

How to Download Slides

The screenshot shows a web interface for the 'AI in Government' event. At the top, there is a navigation bar with icons for search, events (41), session views (56), agenda (1), invited (0), and interaction (0). The main header is red with the event title 'AI in Government' and a subtitle: 'Bringing together AI thought leaders in the public sector AI in Government brings together thought leaders in the public sector who are applying artificial intelligence, machine learning and cognitive technologies to a wide range of applications in the government sphere.' To the right is the 'AI GOVERNMENT' logo featuring a stylized capitol dome.

The main content area is titled 'SEPTEMBER 2021 AI IN GOVERNMENT' and includes tabs for 'Session Detail', 'Presenters', and 'Sponsors'. The featured session is 'The Critical Importance of Data and AI for the US Army: LTC Kristin Saling, Chief Analytics Officer & Acting Director, People Analytics at The US Army'. It is marked as 'On Demand' and has buttons for 'ADD TO AGENDA', 'Add to Calendar', and 'Share Event'. A large promotional graphic for the session is displayed, featuring the event title, date 'THUR. SEPT. 23, 2021', time '11:30AM-1:00PM EST', and a portrait of LTC Kristin Saling in military uniform. The graphic also includes the text 'THE CRITICAL IMPORTANCE OF DATA AND AI FOR THE US ARMY: LTC KRISTIN SALING, CAO & ACTING DIR., PEOPLE ANALYTICS AT THE US ARMY' and 'KRISTIN SALING CHIEF ANALYTICS OFFICER & ACTING DIR., ARMY PEOPLE ANALYTICS Army Talent Management Task Force'. A red button at the bottom of the graphic says 'View Session'.
